The Green Section = .5 miles of trail.

The Black Section = 1.6 miles of trail.

The Blue Section = 2.2 miles of trail.

The Red Section = 4.2 miles of trail.

There is a total of 8.5 miles of trails for those of you daring enough to venture through the entire maze. Anyone left at the end of the season will be plowed under. But if you need help, just yell, we're all ears!
