Artwork donated by World War II Veteran Reverend Bill Bovard

We are all very excited to be collaborating on this special event where we will learn about the history of Old Glory, sing some great patriotic songs, and hear about the local flag program that has been undertaken to honor Hoosick Falls men who are buried overseas.

We are looking for community members to donate desserts

Auction proceeds will be used to transport the Hoosick Falls *Flag that was Flown over the Tomb of the Unknown Soldier* overseas where she will fly over every grave site where our local servicemen are buried.

We will have information that night on her journey to-date, where she'll be traveling, and in whose honor. Hope to see you there!

Call 686-3269 for more information on the auction.
