

Town of Hoosick
Public Hearing
Monday July 11, 2017 6:30 PM

Pledge of Allegiance

Roll Call: Supervisor Mark Surdam, Eric Sheffer, Dave Sutton, Jeff Wysocki, Jenn Hyde

Legal Notice: published in the Eagle Press June 29, 2017 with affidavit.

Purpose of Meeting: *For the fiscal year 2017 Community Development Block Grant Application to be submitted jointly with the Village of Hoosick Falls for Woods Brook.*

Brad Grant, Senior Project Manager and Bob Murphy, Land Use Planner- Both from Barton& Loguidice Engineering firm.

The Woods Brook starts at Jim Hoags on Johnson Hill Rd. and runs to Bayer Rd intersection into the Village. The plan is to divert the water from above the Country Club to keep the majority of water south of the Village.

The grant is for \$750,000. Which is the maximum amount from CDBG, with other agencies getting involved we could potentially get a million. Most of the money will be going towards the Village and the Town will have installed 8x8 box culverts which help create the water diversion away from the Village.

The actual project cost would cost 7-8 million dollars.

The application will be submitted by the end of July. There should not be any question about receiving the grant in light of the state of emergency from Woods Brook flooding on July 1st.

Adjournment

Sheffer made a motion to adjourn the public hearing at 7:30 pm, Wysocki seconded, all ayes carried.

Respectfully submitted,

Sue Stradinger, Hoosick Town Clerk
