Hi Holli

Yes, that would be best if you send me your corrected copy and that way we will be sure that we have exactly the same thing.

Thanks

Bob

Good Morning,

I was informed there is a spelling mistake in the minutes dated March 12th. It is located on page 6. It is suppose to be approval and that is not what it reads.

I have fixed my copy of the minutes, should I just send to you the corrected minutes so you can replace this? Please let me know. thank you
