Ken Lorenz introduced the new Planning Board member Wendy Larson and welcomed her to the Board.

Wilkinson Hill Road Subdivision:

Nancy Hewitt appeared before the Planning Board regarding the Subdivision on the Hill Road. The public hearing will not be held until they meet with the County Highway on the entrance to the subdivision. Ken Lorenz stated that Fire Chief Rick Hunt had some issues with the culvert, he wanted it changed to 15 inches on the North Side. The ingress and egress were discussed for the fire trucks in case of an emergency. The elevations of the existing road should be edited and the concern is the site lines coming out of the driveway onto the Hill Road. The trees will be taken down in the spring. The Planning Board will need clarification from the County for the site lines needed for the driveway. Ken Lorenz will consult with Laberge to see what would be acceptable to present to the County for their approval. There has been no progress on the driveway issues, still delayed by the county. Ken will get in touch with the Fire Chief for their recommendations on the driveway.

A public hearing will be scheduled for February 28th at 7 P.M.

A motion was made by Mike Bacon to adjourn the Planning Board meeting, seconded by Wendy Larson, all in favor, motion granted.
