I. Call to Order

II. Pledge of Allegiance

III. Roll Call

IV. Public Comment Period-

We ask that all who want to speak limit the discussion to the Moratorium itself which if passed by the Town Board on January 8th 2024 will then allow the Town the opportunity to work with the community to study and analyze legislation to regulate the future creation and siting of large scale/commercial solar installations. Depending on the interested number who would like to address the Town Board on the proposed Moratorium, Supervisor Surdam reserves the right to limit each speaker to 3 minutes to assure we have enough time to hear from all.
